Date of Signature

The deposit has been made with the National Institute of Bioscience and Human-Technology Agency of Industrial Science and Technology under the terms and conditions of the Budapest Treaty. A copy of the International Receipt form is attached. Access to the deposit will be accorded to the Assistant Commissioner upon request and any restrictions upon availability to the public will be irrevocably removed upon granting of any patent issuing on this application or any continuation, divisional or continuation-in-part applications. Maintenance of the deposit is assured for periods of time as specified in the Budapest Treaty.

Applicants will replace the cultures if any should become non-viable for a period of at least five (5) years after the most recent request for the furnishing of a sample of deposited microorganism, for a period of at least thirty (30) years after the date of deposit or for the enforceable life of such patent, whichever is longer.
